About Me:

Hello. I live in Morrilton, Arkansas, but I love the town of Atkins and their school district. I just started my 39th year of teaching, and the last 29 have been at Atkins High School.

I feel very lucky to have taught so many wonderful students here. I enjoy keeping up with them after graduation and seeing their accomplishments.

My family consists of my daughter, son in law, and my two grandchildren. My only real hobby is being with the "Grands," Lizzie and Mitch.

Come see me at Atkins High School.
