

My name is Haley Chronister, I am a special education paraprofessional at Atkins High School. This is my 2nd year as a paraprofessional. I was a substitute for Atkins Public Schools for 4 years. I love my job, and am currently enrolled at Arkansas Tech University getting my B.S. in Secondary Education Social Studies. As soon as I graduate, I plan to get my Masters in Special Education. I have fallen in love with the special education field and this is what I plan to do with the rest of my life. I have been married to my best friend Jeremy Chronister for 10 years, we have two kids who attend Atkins, Chloe is 9 and Eli is 8. I graduated from AHS in 2005, and will spend the rest of my life here as an Atkins Red Devil! RDP!! I love to read, and spend time with my family.
