

Michelle Ward

High School Librarian

About Me: I am a graduate of Atkins High School and Arkansas Tech University. At ATU, I received my Bachelor Degree in Business Education and my Masters Degree in Instructional Technology. My teaching career started in 1993 teaching business classes at AHS. In 1999, I became the High School Librarian at AHS.

I am married to David, also a graduate of Atkins, and we have two children, Emily & Parker.

Being the librarian, my goal is to instill the joy of reading in my students that will encourage them to become life-long readers.
