About Me:

My name is Renee Dixon, and I grew up in Brooksville, Florida. I have lived in Arkansas for 11 years. I have been a teacher for 8 years now. I have 2 children who attend Atkins. My daughter is 15 and in the 10th grade, and my son is 11 in the 6th grade. What I like most about Atkins is the community involvement and support, and the way every one supports each other.

I am very excited for this year to begin and to work with my former students. As many of you know, I have made the move from 7th grade English to resource English at the high school. Just to let you know, I am pursuing my Masters degree in Special Education. I am looking forward to working with you and your child this year. My one expectation is that each student will try his or her best and always give 100%. I look forward to a great year and RDP.
